## TEXT FOR PAGE:

- **Handcrafted Furniture**

We're collaborating with over 20 artisan groups in 15 countries, making long-term commitments of 3 to 5 years to each of these manufacturers. We're directly impacting the lives of 4,500 artisan workers and 18,000 family members. Over 1/2 of these artisans are women who are learning new skills, supporting their families and empowering themselves through the work they're doing.

- **Blaire:** Easygoing elegance. The Blaire's smooth profile, hand-tufted back and slender, pecan-stained legs add up to a seriously sophisticated look.

- **Hudson:** All buttoned up. Our Hudson Sofa has a clean 1950s and '60s aesthetic with small-scale button tufting that adds a pop of personality.

- **Colton:** A comfortable classic. Always in style, it's no wonder the Colton Sofa ranks high on the seating charts.

- **Delilah:** Know your tuft. A slimmed-down take on an overstuffed classic, the Delilah features a high back with deep tufting, and gently sweeping arms and legs.

- **Holden:** Mid-century made luxe. Retro details like slim arms, tufted cushions, lofty solid-wood legs and a sloping wingback-style profile win this sofa cool cred.

- **Zinnia:** A natural fit in an entryway, at the foot of a bed or as a loveseat in the living room, the Zinnia Sofette is chic seating, scaled for smaller spaces or a studio.
